Expert Advice

Perth Plantation Shutters is a local Western Australian owned and operated company.

We understand your needs and proudly stand behind the quality of our products.

Need a custom shape?

No problem! Have your shutters or blinds custom designed to suit your needs by our team of professional technicians.

Australian Made Quality Guaranteed!

If you want the best, look no further than our Ultimate shutters range. Made from solid A grade Western Red Cedar, a beautifully attractive timber known for high resistance to borers, termites and decay. They're so good we guarantee it!

Expert Advice

All installations are carried out by a team of expert technicians that will guide you through every step to ensure your complete satisfaction. Being an Australian owned and operated company, we'll proudly stand by the quality of our products and service.
